

8. Review of the Business Management Structure

- To promote greater business efficiency and at the same time further enhance our provision of locally-based services, we plan to reorganize the current 17 branches into 6 divisions and 29 branches.
- To achieve this, we plan to reorganize our 17 subsidiaries established in individual prefectures into 4 companies.
- We plan to carry out the reorganization in July 2014.

At Present	
NTT East	17 branches
Regional Subsidiaries	17 companies

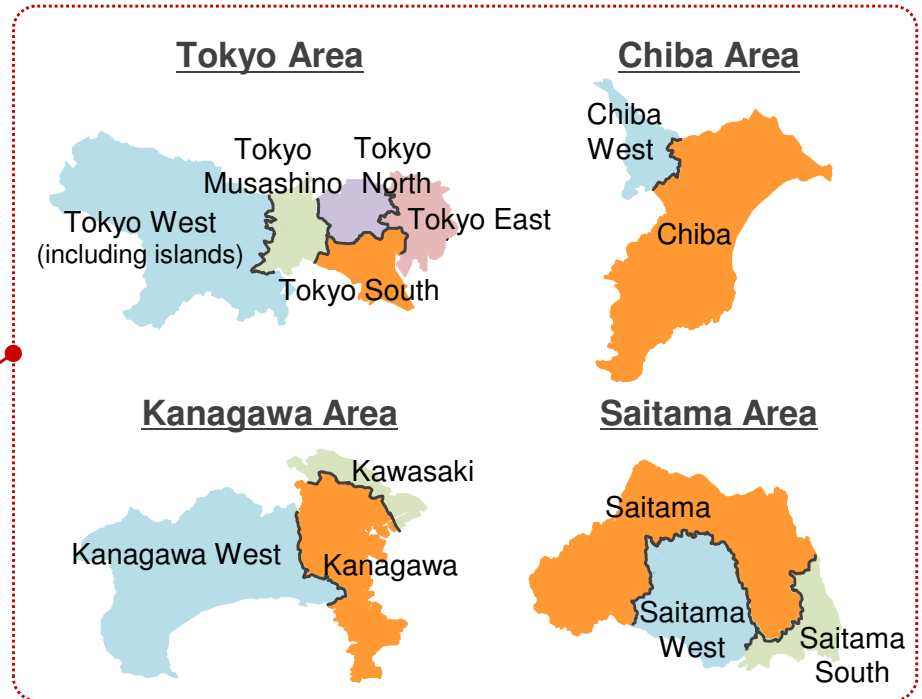

After the Reorganization	
NTT East	6 divisions 29 branches
Regional Subsidiaries	4 companies

Tokyo Division

Kanagawa Division

Chiba Division

NTT EAST-MINAMIKANTO CORPORATION
